"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

## DEAR FRIEND OF ISRAEL,

You've seen it ... the endless war Joe Biden is waging in the Middle East.

But it's not against Hamas ... Israel's bloodthirsty enemy that committed the heinous Oct. 7 assault, butchering, burning, and raping more than 1,200 Israelis.

Nor is it a war against the Tyrants of Tehran ... the fanatical enemy of Israel that has defiantly proclaimed "Death to Israel!" and to the U.S. since 1979.

Joe goes easy on the brutal thugs ruling Iran who are now at the nuclear threshold. The terror state pours hundreds of millions into its "ring of fire" — the militant terror armies encircling Israel in Lebanon, Gaza, Judea and Samaria, Syria, Iraq, and Yemen.

But Biden isn't confronting and demonizing this foe. Instead, just last month he signed a sanctions waiver giving Iran access to more than \$10 billion! INSANE is an understatement.

### So, who does Biden have in his crosshairs?

You're right. Israel! ... And dead center in Joe's bull's-eye is Israel's democratically elected Prime Minister, Benjamin Netanyahu.

Biden is attempting to OUST Netanyahu from office — doing so while the Jewish state is fighting an existential war to ensure its very survival ... and almost at the point of victory.

That's why you and I need to speak out NOW on Israel's behalf. Today our nation is led by the most anti-Israel White House "resident" ever. **But your generous and much-needed support today** will make our combined pro-Israel voice even LOUDER.

And I have good news for you. You and I

are not alone! A whopping 79% of American voters stand with Israel in its war to defeat Hamas, according to a March Harvard poll.

But Joe is not listening to these Americans. Instead, he is focused on another group, one that is deeply anti-Israel, as another poll reveals ...

HALF of Muslim Americans say Hamas had "valid" reasons to fight Israel, according to a recent Pew Research poll. And one in five think the horrific Oct. 7 attack is "acceptable." Valid? Acceptable?!

These pro-Hamas voters have Biden's attention. Here's what Team Biden is up to ...

As I write, Israel is just weeks away from the total elimination of Hamas. But Biden is standing in the way ... and making Hamas very happy.

In more than six months of fighting, Israel's military has achieved the impossible. Despite facing a dug-in enemy that uses civilians as human shields and hides inside a 350-mile tunnel network, the IDF has already taken out 20 of 24 Hamas battalions.

The remaining four are in Rafah, Gaza's southernmost city. Netanyahu is determined to wipe them out and achieve "total victory."

But Joe calls invading Rafah a "red line" for Israel. Vice President Kamala Harris warns that Israel faces consequences if it enters Rafah — which could mean cutting U.S. military aid.

Netanyahu pledges to go ahead anyway, prosecuting the war to total victory, with or without U.S. help. "I hoped we would do this with U.S. support but, if necessary, we will do it alone," Netanyahu declared.

## BIDEN RAMPS UP HIS WAR ON "BIBI" NETANYAHU ... AND ON ISRAEL

*Joe Biden is working to oust Israel's Prime Minister, Benjamin Netanyahu, and standing in the way of total Israeli victory against Hamas. Read on to see what's happening! — Mat Staver*

The reason for the red line, Joe says, is to prevent civilian casualties. **But no military on earth can hold a candle to Israel's unmatched record protecting civilians in this war.** I think you'll find this amazing. To ensure Gazans are out of harm's way, Israel has:

- Called and texted Gazans, telling them to leave areas where it will attack Hamas.

- Used drones with speakers to communicate evacuation orders.
- Dropped huge speakers by parachute to broadcast warnings to leave combat areas.
- Even paused operations to give remaining Gazans a chance to evacuate.

Anti-Israel Democrats like Rep. Alexandria Ocasio-Cortez smear Israel for waging "genocide" in Gaza. That's a vile lie!

"Israel has taken more measures to avoid needless civilian harm than virtually any other nation that's fought an urban war," asserts West Point urban warfare expert John Spencer.

The ratio of civilians to combatants killed in Gaza is less than 1.5 civilian for every Hamas combatant. That is "historically low for modern urban warfare," Spencer says.

But does Joe celebrate Israel's success? Does he publicly praise Israel for its SUPERB record of protecting civilians in Gaza?

No ... just the opposite.

In a December fundraiser, Joe said global support for Israel was tanking because of the Jewish state's "indiscriminate bombing." Netanyahu "has to change" Biden insisted.

Biden has slandered Israel, saying its military response "has been over the top." And in his State of the Union speech in March, Biden repeated a Hamas blood libel against Israel.

Joe claimed Israel has killed "more than 30,000 Palestinians" — parroting fake casualty numbers issued by Hamas and ignoring Israel's extraordinary actions to PROTECT civilians.

**Even worse, Biden betrayed Israel at the U.N. last month.**

He refused to veto an anti-Israel U.N. Security Council resolution demanding a cease-fire in Gaza. The resolution failed to condemn Hamas for its unspeakably evil Oct. 7 attack. Nor did it demand that Hamas release all remaining Israeli hostages before a cease-fire takes effect.

Hamas celebrated the resolution that passed without the American veto ... but Israel denounced it. Jewish News Service called it a "fundamental betrayal of the U.S.-Israel alliance."

You and I must act now to bless and defend the Jewish nation! With your help, Christians in Defense of Israel is telling the truth about Israel. But much more needs to be done.

**Will you make a generous gift now to fight the blizzard of lies from the Biden White House?**

Thanks to friends like you, our nationwide social media network and our presence on Capitol Hill create effective platforms to present both the American public and influential lawmakers with critical facts that too few know about Israel's righteous war to eliminate Hamas.

Joe Biden is targeting Israel and seeking to unseat Bibi. Biden has waged a public pressure campaign against Netanyahu — accusing him of prosecuting an "over the top" war, of "indiscriminate" bombing, of responsibility for mass civilian deaths.

New York Magazine published an article titled "The Biden Plan to Ditch Netanyahu."

And Biden's not alone in picking a bruising, public fight to undermine, weaken, and remove Israel's Prime Minister ... thereby stopping Israel's drive to defeat Hamas, which Netanyahu — in Churchill-like fashion — is spearheading.

Senate Majority Leader Chuck Schumer — the most senior Jewish elected official in Congress — joined Biden in March in doing the unthinkable. In a blistering speech, Schumer attacked Netanyahu, calling him an obstacle to peace — just like Hamas! — and calling for new Israeli elections to replace Israel's elected leader.

Schumer blatantly meddled in Israeli politics, charging that Netanyahu had "lost his way." Joe called it a "good speech."

**A crisis is brewing in U.S.-Israel relations.**

Things have reached the point at which respected Jewish writer, Melanie Phillips, has reached this astonishing — but entirely defensible — conclusion. She writes:

*Israel is fighting not one but two wars of defense against a malevolent foe. The first is against the axis of Iran and its proxies: Hamas, Hezbollah, and the Houthis of Yemen. The second is against America.*

WOW! ... Let that sink in.

Biden, who has known PM Netanyahu for nearly 50 years, likes to say, "Bibi, I love you, but." Nowadays, Israel's Prime Minister isn't "feeling the love" — NOT AT ALL. Nor do the Israeli people who strongly support Netanyahu's objective of eliminating Hamas.

That's why CIDI voice must be stronger than ever.

**With your help,** CIDI speaks out for Israel. Thanks to you, CIDI is educating Americans about Israel's righteous war to destroy Hamas — an implacable foe that has pledged that the one-day Holocaust that Hamas waged on Oct. 7 is just the first of many.

And because of you, we are on Capitol Hill to make the case for the Jewish state — to bless and defend Israel.

**Your generosity makes it all possible** and the need is urgent. Joe Biden is driving a wedge between Israel and America, threatening a rupture with our closest friend and ally, creating the worst crisis in U.S.-Israel relations since the modern Jewish state came into existence.

Biden and friends have unleashed open warfare on Bibi Netanyahu and Israel. They are trying to thwart total victory for Israel in Gaza. Please give to make our pro-Israel voice heard across America and on Capitol Hill.

Thank you for standing with Israel now — when the Jewish state needs us most! **CIDI**

Together for Israel,

Mat Staver  
Chairman and President

P.S. Joe Biden, Senate Majority Leader Chuck Schumer, and a chorus of angry anti-Israel Democrats are vilifying Netanyahu and Israel with lies, smears, and libels. **Please give to strengthen and expand everything CIDI is doing to bless and defend Israel!** Let me hear from you today!
