A DEAL WITH THE DEVIL ...

Iran plots to destroy Israel and America ... hatches schemes to assassinate former U.S. officials ... including President Donald Trump. But sleepy Joe ignores it all while giving Iran a gold-paved path to the Bomb. **SEE INSIDE.** — *Mat Staver*

The warnings are piercingly loud ... but sleepy Joe Biden is turning a deaf ear, ignoring the ominous threats he is bringing to Israel—and to our shores.

That is why you and I, as liberty-loving friends of Israel, must act. I'll tell you how in a minute.

But first, three shrill warnings about Iran's malign intent blared out in the last 45 days—any one of which should be MORE than enough for Biden to tell Iran, "No deal!"

WARNING NUMBER ONE

The first warning sounded in late July when a chilling video appeared on a social media channel linked to Iran's Islamic Revolutionary Guard Corps (IRGC).

In the video, the IRGC boasted that the radical Islamic state is "one step away" from building an atomic weapon that can "turn New York into ruins and hell!"

But the Biden White House ignored that vile threat. It did nothing to scuttle a deal with the world's foremost terror state.

Instead, the U.S. State Department announced it would let Iran's president, Ebrahim Raisi, a brutal mass murderer, visit New York—the city Raisi's regime threatens to incinerate in a nuclear blast!

Raisi sent thousands of political prisoners to their deaths in 1988. He helped crush a popular 2019 uprising by KILLING 1,500 Iranian protesters. Despite the blood on his hands, Biden is

bringing Raisi to New York—which Iran threatens to raze.

WARNING NUMBER TWO

Another warning siren wailed in mid-August when news broke about a brazen IRGC plot to murder former National Security Adviser John Bolton on American soil.

The U.S. Department of Justice indicted an IRGC operative in August for trying to hire a hit man—offering \$300,000 to assassinate Bolton. Iran plotted to kill Bolton while Team Biden dickered with the radical Islamic state over terms of a revived nuclear deal!

And Bolton is not the only one Iran has fixed in its crosshairs. The maniacal regime is also plotting to kill former U.S. Secretary of State Mike Pompeo—who has a reported \$1 million price on his head—and former President Donald Trump.

But flagrant plots like these aren't enough for Biden to rip up the "final text" of the nuclear deal. He's still trying, as I write, to put the paddles on a revived nuclear deal ... one which will enrich Iran with \$1 trillion by 2030.

WARNING NUMBER THREE

A third ear-splitting alarm sounded in August when a 24-year-old man stormed the stage at a literary festival in

New York and repeatedly stabbed author Salman Rushdie.

The blatantly obvious reason for the vicious attack is the fatwa—or death sentence—which Iran's supreme leader at the time, Ayatollah Ruhollah Khomeini, imposed on Rushdie in 1989 for insulting Islam in his book *The Satanic Verses*.

Khamenei and Iranian General Qasem Soleimani—whom the U.S. killed.

Iran has a bounty of nearly \$4 million on Rushdie's head. But Biden ignored the terror state's clear role in triggering the vicious murder attempt.

That's Joe Biden. Instead of President Trump's "maximum pressure" strategy—which was bringing Iran to its knees, Biden is all-in for "maximum appeasement"—an all-carrots-and-no-sticks strategy.

The result is a preposterously one-sided deal that gives Iran, as former Israeli Prime Minister Benjamin Netanyahu said in August, "a golden paved highway to a nuclear arsenal."

Together, we need to raise our voice in protest to the U.S. Senate!

Biden is about to hand Israel's worst foe a colossal windfall and a clear path to the most powerful and destructive weapons known to man.

You and I cannot be silent! Please sign the enclosed "Stop the Deal!" demand letter to Senate leaders.

And please stand with CIDI now.

Make your most generous gift today to help us fight for Israel, to generate a public groundswell of opposition to this profoundly bad deal.

So how bad is this proposed pact with Iran?

The Foundation for the Defense of Democracies reports that Biden stands ready to give Iran a stunning \$274 billion in sanctions relief in the first year! And at least \$1 trillion by 2030. In addition, the deal, awaiting final approval as I write:

- Lifts sanctions on top financiers of the Islamic Revolutionary Guard Corps—a U.S. "designated foreign terrorist organization."
- Allows Iran to keep its advanced uranium centrifuges inside the country—ready to be switched on at a moment's notice.
- Places NO barriers on Iran's development of nuclear-capable missiles.
- Places NO barriers on Iran's campaign to spread terror across the globe.
- Imposes NO penalties on Iran for its human rights violations of its own citizens.

Because this deal hands Iran a golden ticket to a nuclear future, you can be sure Israel will intervene with force to ensure the mullahs never get the Bomb.

Well, how's that working for you, Joe?

After 18 months of talks marked by Biden giveaways and mounting Iranian demands, the terror state is now at the nuclear threshold.

The ayatollahs have what they need to build four "crude" nuclear bombs—and to field the first one in an estimated three short weeks.

Meanwhile, their centrifuges are still spinning ... and Iran's stockpile of enriched uranium is still growing.

And if the nuclear pact is signed, Iran will flood its terror forces across the Middle East with weapons and cash. And that includes the Palestinians next door to Israel in the so-called "West Bank."

"There is no safe place at any time for Israel and its citizens," the IRGC's top commander gloated recently.

Instead, he stressed "the necessity of continuing the jihad [holy war]" against Israel.

You and I must send a powerful signal to Capitol Hill. Join me today in telling the U.S. Senate to "Stop the Deal!"

Sign the enclosed demand letter right away and return it in the enclosed reply envelope with your best gift to help us fight for Israel.

Your generosity is crucial and makes a huge difference in this vital fight. Please respond right away.

Joe Biden is dead wrong. Mere talk will not change the minds of Iran's twisted theocrats. They are, as former Israeli Prime Minister Netanyahu has said, an "apocalyptic cult" bent on Israel's destruction.

Their goal is to destroy Israel, clearing the way for their "messiah"—the "Mahdi"—to take power in Jerusalem, rule over a global caliphate and impose cruel shariah law on the world.

That fevered dream of global Islamic rule is behind everything Iran's fanatic ayatollahs do, which is why no amount of diplomacy will change their mind. Severe sanctions and military force are the only solutions.

Please sign and return the enclosed "Stop the Deal!" demand letter now. We must make our pro-Israel voice heard NOW!

And please make a much-needed gift as you do. Your generosity for this entirely donor-supported pro-Israel work will make a huge difference at this critical moment.

Thank you for your love for Israel ... and for partnering with us to bless and defend God's people!

As a friend of Israel and an American concerned for our own nation's security, too, I am asking you to do everything in your power to oppose and block Joe Biden's foolish quest for a nuclear deal with Iran.

The Biden White House is jeopardizing Israel and America with its profoundly bad proposed nuclear deal with Iran. The pact gives the tyrants in Tehran \$1 trillion in sanctions relief by 2030 and a staggering \$274 billion in the first year of the deal. Iran will immediately use that money to flood its regional proxies in Iraq, Yemen, Syria, Lebanon and Gaza with weapons and cash.

And Iran wants to use the so-called "West Bank" to attack Israel with Iran-supplied munitions. "There is no safe place at any time for Israel and its citizens," the commander of Iran's Islamic Revolutionary Guard Corps threatened recently.

Appeasement of Iran is no solution. Only punitive sanctions and a real threat of military action will stop Iran from its mad drive to rule the Mideast and, ultimately, the world.

Please act immediately to block Biden's bad deal with Israel's worst enemy.

Sincerely,

Every talent and resource we have comes from the Lord. As stewards of God's resources, it is important that each of us makes sure that our giving in this life is both generous and strategic. It is even more important to leave a legacy that will echo through history and advance the Kingdom of God.

Giving is both an act of obedience to our Lord who gave all for us, and it is a form of worship (2 Corinthians 9:6-15). By giving, we place our trust in the Lord and bless those who receive. There are great blessings for those who give, as Jesus said, "It is more blessed to give than to receive" (Acts 20:35).
