"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

## THE SIREN SUDDENLY BLARED. .

With just seconds to spare, 5-year-old Ido Avigal's mother whisked her little boy into their home's safe room in Sderot, Israel.

They made it, but a Hamas rocket struck nearby. Razor-sharp shrapnel tore through the safe room's armored window. As Ido's mom later shared, the twisted metal flayed open her son's belly, ripping a gash that exposed his internal organs.

It happened in milliseconds.

Severely wounded herself and bleeding badly, Ido's mom called the police. **"My son and I are dying. Please, hurry!"**

She survived. Little Ido did not.

**His heinous murder brought merriment to Hamas-ruled Gaza. "Candy was handed out in celebration of the death of my son," his mother said.**

More than 4,300 Hamas rockets and missiles rained down on Israel in May 2021. The unprovoked 11-day Hamas barrage killed 13 Israelis, Ido included, and injured hundreds more.

### **- U.N. TURNS BLIND EYE TO PALESTINIAN TERROR**

But a flagrantly one-sided U.N. report in October said NOTHING about Ido's death or the relentless Hamas rocketing that terrorized Israeli civilians.

Instead, the U.N. Commission of

Inquiry's three bitterly anti-Israel investigators charged Israel with occupying "Palestinian land."

And they retailed a litany of other accusations against Israel—"all undated, unsigned, anonymous accusations" without even a footnote, as U.N. critic Anne Bayefsky pointed out.

Meanwhile, Bayefsky organized the submission of more than 5 MILLION statements from Jewish victims of Palestinian "discrimination and repression."

All told, it was an unprecedented outpouring of testimony pointing the finger at Palestinian terror. But the so-called Commission of Inquiry ignored it ALL!

**"I've not seen them, personally,"** Commission Chair Navi Pillay said in a staggering admission of the commission's blind eye to Palestinian hate for Israel.

Pillay has a long record of anti-Israel bigotry, slandering it as an "apartheid" state and calling for a boycott of Israel. It is no surprise, then, that Pillay's Commission report attacked Israel for its alleged war crimes and crimes against humanity.

The word "Israel" is used 277 times in the highly prejudicial 28-page report. But "Hamas," "terror" and "rocket" never appear.

**Nor does the name "Ido." and repression."**

**-PROTEST THIS ANTI-ISRAEL POGROM!**

## **Bleeding Israeli Mom: "My Son and I Are Dying. Please Hurry!"**

*Israeli mom calls for help after Hamas rocket shrapnel rips open the body of her 5-year-old son. New U.N. Commission report IGNORES attack and MILLIONS of other Jewish victims, tries instead to demonize and criminalize the Jewish state ... and YOUR tax dollars help pay for it. SEE INSIDE..— Mat Staver*

You and I must raise our voice to protest this monstrous assault on Israel.

The Commission of Inquiry is nothing more than a heavily funded U.N. inquisition created to malign and demonize the Jewish state. And it has an open-ended mandate to do so—with no end date for what some call "Pillay's Pogrom."

Its aim is to make Israel a pariah—to criminalize and eliminate the Jewish state.

But we now have a

**golden opportunity to have our voices heard and see action.** That's because Congress will be in Republican hands come January. NOW is the time to call for firm and long-overdue action against the U.N.

I am asking you to sign the enclosed Demand Letter calling on the new Congress to do three important things:

- Denounce the biased U.N. Commission of Inquiry's despicable slander against Israel.
- Terminate U.S. membership in the U.N. Human Rights Council—a haven for tyrants that launched the Commission of Inquiry, which is nothing more than a guided missile targeting Israel—one your tax dollars now help support.
- Defund the U.N. Pull the plug on ALL U.S. taxpayer support for the United Nations—unless and until it abandons its institutionalized war on Israel.

Now is the time to make your voice heard in Israel's defense. Please sign the Denounce, Terminate, Defund demand letter calling for action NOW against the anti-Israel United Nations.

And as you join me in calling on Congress to act against the world's leading outpost of antisemitism, **I ask for your generous support.**

It is critical that we do everything possible—as soon as possible—to press Congress to act against the U.N. and to undo the Biden team's assault on Israel.

**But to do all this, I need your help. Please be as generous as you can.**

In thanks for your gift, I want to send you a fascinating exposé on the U.N.'s deep-seated antisemitism. You will be astonished as you read Israel in the Crosshairs. It documents in stunning detail the war on Israel taking place at

the United Nations. Ask for it as you give.

**• NETANYAHU: U.N. IS A "PLACE OF DARKNESS" FOR ISRAEL**

Israel's new prime minister, Benjamin Netanyahu, calls the U.N. a "theater of the absurd" and a "place of darkness for my country."

It is a place where Israel can do almost no right. And rogue states like Syria, Iran and North Korea can do almost no wrong. Just last year, the 193-nation U.N. General Assembly passed 14 resolutions criticizing Israel. But just five targeting the rest of the world.

And this has been going on for years.

Four decades ago, U.S. Ambassador to the U.N. Jeanne Kirkpatrick charged the organization was "**pathologically obsessed**" with Israel. She called it "the principal forum of a concerted worldwide campaign against" the Jewish state. For example:

- The U.N. General Assembly approved in 1975 an infamous resolution, since revoked, declaring that "Zionism is a form of racism."
- From 1980 to 1988, the U.N. held annual votes to oust the only Jewish state from the United Nations.
- UNESCO declared the Tomb of the Patriarchs—the resting place of Abraham, Isaac, Jacob, Sarah and Rebecca—to be a Palestinian World Heritage site!
- Every session of the U.N. Human Rights Council includes a permanent agenda item targeting Israel alone.

Corrupt, bloated and oozing hypocrisy, this so-called standard bearer for peace and human rights has welcomed a parade of despots to the U.N. dais. Brutal

tyrants, including Fidel Castro, Idi Amin, Moammar Qaddafi, Mahmoud Ahmadinejad and Yassir Arafat, have all addressed the U.N. General Assembly—sometimes to cheers and applause.

In 1975, the U.N. General Assembly welcomed Uganda dictator and ruthless mass murderer Idi Amin. The military ruler called for Israel's expulsion from the U.N. and the "extinction of Israel as a state." He walked out to a standing ovation.

**• ACTION NEEDED NOW!**

The U.N. Commission of Inquiry—with its open-ended mandate to assault Israel—is one more outrage in the organization's long history of hate for Israel, and it demands a sharp and forceful response.

**Will you stand with Israel now—and with victims of Palestinian terror like 5-year-old Ido and his family?**

Sign the Denounce, Resign, Defund! demand letter calling on the new Congress to act against the United Nations.

Please return your signed demand letter today, along with your best gift to fight for Israel. And be sure to ask for Israel in the Crosshairs as you respond.

Together, let's act in defense of God's chosen people! **CID!**

Together for Israel,

Mat Staver  
Chairman

P.S. Join me and other friends of Israel in urging the new Congress to hold the U.N. accountable and to end its poisonous attacks on Israel. Sign the Denounce, Resign, Defund! demand letter immediately and **return it with your best gift today!** Thank you for your friendship and heart for Israel.

**E**very talent and resource we have comes from the Lord. As stewards of God's resources, it is important that each of us makes sure that our giving in this life is both generous and strategic. It is even more important to leave a legacy that will echo through history and advance the Kingdom of God.

Giving is both an act of obedience to our Lord who gave all for us, and it is a form of worship (2 Corinthians 9:6-15). By giving, we place our trust in the Lord and bless those who receive. There are great blessings for those who give, as Jesus said, "It is more blessed to give than to receive" (Acts 20:35).

**CHRISTIANS IN DEFENSE OF ISRAEL**

Estate planning is one of the most important considerations to proper stewardship. There are several estate planning models that can protect your resources from being consumed by taxes and the cost of probate. Some estate planning vehicles allow you to create a current stream of income for you and your family while also providing present or future resources to Christians in Defense of Israel.
