"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

## DEAR FRIEND OF ISRAEL,

Joe Biden just showed his hand.

Biden touts his undying friendship and support for Israel. He glad-hands Israeli leaders and grins broadly.

But here's the reality: Biden is the most hostile-to-Israel occupant of the Oval Office in U.S. history—bar none. Let me give you the latest, glaring example.

In late November, Biden took the unprecedented step of creating a new post solely focused on advancing the Palestinian cause. **And he named an enemy of Israel to fill it!**

As I've said many times when it comes to Biden and Israel ... you just can't make this stuff up!

**You and I, as friends of Israel, must respond!** And I'll tell you how in just a minute. But first, a few facts ...

Biden's new envoy to the Palestinians is Hady Amr, a man with a long history of sharp, biting criticism of the Jewish state—and SILENCE on unhinged Palestinians who butcher Israeli Jews.

### "INSPIRED BY THE INTIFADA"

Biden just tapped a man who said he was "inspired by the Palestinian intifada"—the brutal Palestinian terror campaign that killed and wounded Israeli Jews—to be his "Special Representative for Palestinian Affairs."

Born in Beirut and raised in Saudi Arabia and the U.S., Amr is a Muslim who fasts at Ramadan, visited Mecca and once declared, "My faith [i.e., Islam] inspires my own work." Perhaps because

of that faith, Amr brings to his new post a trail of vicious and false accusations against Israel. He has charged the Jewish state with:

- "Brutal attacks against [Palestinian] civilians."
- "Ethnic cleansing."
- An "ongoing illegal occupation."

At the same time, Amr is silent about the gruesome incitement to violence in official Palestinian media—the grooming for jihad in Palestinian classrooms.

He is quiet as a mouse about the Palestinian terror spree waged on Israelis this past year. And he has no words of condemnation for the Palestinian terrorists who slaughtered 29 Israelis last year in more than 2,200 attacks.

### WANTS TERROR STATE

### NEXT TO ISRAEL

One crucial task for Amr is to implement Biden's plan to create a Palestinian state on land God promised to the descendants of Abraham, Isaac and Jacob.

Biden wants to strip Israel of its land, shrink it to indefensible borders and give Israel's enemy—the Palestinians—their own independent terror state right next to Israel.

And he picked a pro-Palestinian activist to make it happen.

**You and I need to make our voice heard!**

**Unprecedented.  
Provocative.  
Beyond Belief.**

*Joe Biden names a pro-Palestinian enemy of Israel ... a man "inspired by the intifada" ... to boost Palestinian statehood, divide Jerusalem and more. But you and I can STOP Biden's dangerous scheme. SEE INSIDE.— Mat Staver*

Will you join me in calling on the new Republican-led House to CUT all funding for this dangerous new post ... to make it clear that U.S. taxpayer dollars will NOT underwrite blatant enemies of Israel!

And that is what Mr. Amr's words and actions show him to be.

## ISRAEL'S ENEMIES! demand letter.

Equipped with signed demand letters from you and others, our CIDI Washington team will bring this issue forcefully to the attention of House GOP leadership. Please send your signed demand letter immediately!

As you respond, I ask for your generous support to sound the alarm on Biden's dangerous new effort to create a Palestinian terror state and to divide Jerusalem, making the holy city the capital of "Palestine."

**Your generous support makes all the difference.** When you give, you help send a message to Washington that Americans stand with the Jewish state—and staunchly reject attempts to undermine it.

Plus, when you give a gracious and much-appreciated donation of \$35 or more, **I want to send you the facts on Hady Amr** and the other enemies of Israel that Biden has picked to fill key posts in his administration. Be sure to ask for the new, updated edition of *Special Report: Joe Biden's Hostile-to-Israel Appointees* as you give!

## INVESTED IN PRO-PALESTINIAN ACTIVISM

Make no mistake. Hady Amr is an out-and-out pro-Palestinian activist committed to Palestinian statehood and to reversing America's traditional support for Israel.

He once declared: "Washington is the second front in the battle for peace and justice in Palestine."

He called in 2002 for a "20- or 50-year campaign investing tens of millions of dollars and development hours in political campaigns and TV ads" to undo U.S. pro-Israel attitudes. As he put it:

*[P]eople who want to put an end to Israeli injustice need to be willing to put in a few hours each day, on top of their eight-hour-a-day jobs, for the rest of their lives.*

Amr is a tireless ideologue and fierce critic of Israel. And his agenda includes:

- Reopening the special consulate for the Palestinians—a slap at Israelis since it is located in Jerusalem, Israel's capital.
- Expanding U.S. aid to the Palestinians who pay millions in reward money to terrorists who brutalize and slaughter Israelis.
- Pushing Israel to accept the fantasy called the "two-state solution"—a delusional dream since Palestinians want just ONE state, their own, and the utter elimination of Israel.

On top of all this, Amr also supports engaging with two enemies of Israel: the radical Muslim Brotherhood and the Islamic terror group Hamas, both of which want to wipe Israel off the map. STUNNING! I'm sorry to repeat myself. But you just can't make this up!

## URGE HOUSE LEADERS TO ACT!

Again, it's crucial that you and I urge the new Republican-led House to STRIP all funding for this dangerous new post Biden has created to amplify Palestinian demands.

Join me in signing the enclosed **NO FUNDING FOR ISRAEL'S ENEMIES!** demand letter urging House Republican leaders—who now have the power of the purse—to deny ALL funding for this new post now filled by an open enemy of Israel.

As you respond with your signed demand letter, **I ask for your generous gift to fight for God's chosen people in the new year.**

And in thanks for your special gift of \$35 or more, I want to send you the updated edition of CIDI's *Special Report: Joe Biden's Hostile-to-Israel Appointees*.

**Please respond right away!** The Lord has a plan and purpose for Israel. Together, let's act to defend and bless His chosen people!

Thank you for the gift of your friendship and your heart for Israel. May the Lord richly bless you! **CIDI**

Together for Israel,

Mat Staver  
Chairman

P.S. Joe Biden is taking his war on Israel to the next level. His new envoy to the Palestinians, Hady Amr, is a bitter foe of the Jewish state, an apologist for the Palestinians and a tireless advocate for a Palestinian terror state next door to Israel.

Sign the enclosed demand letter calling on House Republicans to cut all funding for Biden's new envoy to the Palestinians. And please be as generous as you can. Your much-appreciated gift now will accelerate everything we do in this new year to bless and defend Israel! Thank you!

## NO FUNDING FOR ISRAEL'S ENEMIES!

*A Demand Letter to House GOP Leadership  
in the 118th Congress (2023-2024)*

I am distressed, angry and appalled that Joe Biden has named an open enemy of Israel to be his new envoy to the Palestinians. And I am asking you to cut ALL funding for Biden's new "Special Representative for Palestinian Affairs."

Biden's pick to fill this unprecedented post is Hady Amr, a practicing Muslim who once said he was "inspired by the intifada"—a terror campaign that killed Israelis. Amr has repeatedly denounced Israel for its alleged "brutal attacks against [Palestinian] civilians," for its "ethnic cleansing" and its "ongoing illegal occupation."

**Again, I am asking you to act immediately to deny U.S. taxpayer funding for Hady Amr, Biden's new "Special Representative for Palestinian Affairs."** No taxpayer dollars should fund an enemy of Israel with a dangerous agenda that will harm the Jewish state of Israel.

The brochure features a central image of a family standing on a beach at sunset. To the left, a column of text discusses the stewardship of God's resources. In the center, there are three smaller boxes: "MAKE YOUR LEGACY COUNT" (with an image of people), "PLANNED GIFTS" (with an image of a man and a woman), and a sidebar on estate planning. To the right, another column of text discusses legacy giving and its benefits. At the bottom, the Christians in Defense of Israel logo is displayed, along with contact information and an email address.

**E**very talent and resource we have comes from the Lord. As stewards of God's resources, it is important that each of us makes sure that our giving in this life is both generous and strategic. It is even more important to leave a legacy that will echo through history and advance the Kingdom of God.

Giving is both an act of obedience to our Lord who gave all for us, and it is a form of worship (2 Corinthians 9:6-15). By giving, we place our trust in the Lord and bless those who receive. There are great blessings for those who give, as Jesus said, "It is more blessed to give than to receive" (Acts 20:35).

**PLANNED GIFTS**

Estate planning is one of the most important considerations to proper stewardship. There are several estate planning models that can protect your resources from being consumed by taxes and the cost of probate. Some estate planning vehicles allow you to create a current stream of income for you and your family while also providing present or future resources to Christians in Defense of Israel.
