"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

GIVE TODAY

DEAR FRIEND OF ISRAEL,

It's a haven for the world's most rabid enemies of Israel ... the beating heart of global antisemitism ... an institution whose membership roll includes thugs, dictators, and despots ... and one that relentlessly spews malevolent hate for Israel.

I'm speaking, of course, about the United Nations. Created in 1945 to end "the scourge of war," it has since morphed into the scourge of Israel ... a hopelessly corrupt and antisemitic cesspool.

Israeli Prime Minister Benjamin Netanyahu calls it a "theater of the absurd."

I call it a global clown show. To give you one example, Iran jails and kills women who won't cover their hair ... but it also sits on the U.N. Commission on Women.

With a \$51 billion budget and more than 44,000 employees, the U.N. is a bloated bureaucracy with a vast bewildering maze of agencies, commissions, councils, and more. And many of these U.N. entities viciously attack, malign, and demonize Israel.

All this is done, in large part, on the American taxpayer's dime. **It is time for that to finally, irrevocably, come to an END.**

I'll tell you more in a moment. But first, I'd like to give you a few appalling examples showing why **Congress MUST immediately cut all U.S. aid to this enemy of Israel** — a foe that takes

in more than \$12 billion in U.S. taxpayer dollars every year.

QUICK TO CONDEMN ISRAEL — BUT NEVER HAMAS

It's been five months since Hamas inflicted unspeakable carnage on Israel. But in that time, neither the U.N. Security Council nor the U.N. General Assembly has condemned Hamas for its brutal crimes.

Hamas mutilated, raped, murdered, and burned more than 1,200 innocent Israelis on Oct. 7, 2023. It kidnapped 242 hostages, including a 9-month-old baby boy. And yet these two leading U.N. groups will not condemn Hamas.

But when more than 100 Palestinians died while swarming aid trucks in Gaza late last month, the 15-member Security Council acted immediately. Within 24 hours and without proof, the Security Council blamed Israel, voting 14-1 for a resolution stating the disaster was "due to opening fire by Israel forces." It took a U.S. veto to defeat the resolution and spare Israel from the U.N.'s all-too-typical "blame Israel first" reaction.

Just last year, the U.N. General Assembly condemned Israel 15 times. But it condemned the rest of the world just seven times! And that same pattern of blatant anti-Israel bigotry has prevailed for decades.

All courtesy of your taxpayer dollars and mine. But that's not all ...

APOLOGIST FOR HAMAS

This really galls me. Against all

THE UN: A FACTORY OF HATE FOR ISRAEL

For decades, the United Nations has been "pathologically obsessed" with Israel. But NOW is the time to STOP any U.S. taxpayer dollars paying for the world's most prominent enemy of Israel.

America should not give \$12 billion a year to the world's leading bastion of antisemitism — the United Nations. Demand Congress STOP sending YOUR money to the Israel-hating U.N. Scan the QR code below to respond with your petition. Thank you! — Mat Staver

evidence and after Oct. 7, a top U.N. official recently rejected the self-evident claim that Hamas is a terrorist organization. Instead, he declared: "Hamas is not a terrorist group for us, of course, as you know. It's a political movement."

Sure ... a "political movement" ... one that savagely slaughters innocent Israelis.

Outraged at this idiocy, Israel's Ambassador to the U.N., Gilad Erdan, declared:

This is the face of the UN these days: an organization that whitewashes terrorism, promotes Hamas and blames the victims. The UN has lost all credibility.

Amen ... which is why Congress MUST act now to immediately defund the U.N., which former House Speaker Newt Gingrich called a "functionally pro-terrorist organization."

But I'm getting ahead of myself. I'll give you two more quick examples to show how the U.N. sides with Hamas AGAINST Israel.

The U.N.'s High Commissioner for Human Rights recently exonerated Hamas, saying the savage Oct. 7 massacre came in the "context of 'over 56 years' of Israeli occupation, effectively justifying it," as UN Watch noted.

And just two weeks after Oct. 7, with Israelis in shock and grieving, U.N. Secretary General António Guterres tried to give Hamas a pass, saying its bloody rampage "did not happen in a vacuum."

Predictably, he blamed Israel, saying the Jewish state has "subjected" Palestinians to "56 years of suffocating occupation." What "occupation"? Israel left Gaza in 2005. Leaving no doubt about whose side he's on, Guterres, a socialist, recited the standard list of false and discredited Palestinian grievances:

They have seen their land steadily devoured by settlements and plagued by violence; their economy stifled; their people displaced; and their homes demolished. Their hopes for a political solution to their plight have been vanishing.

And the culprit? Israel — the world's one-and-only Jewish state.

UNRWA (United Nations Relief and Works Agency) — HAMAS' PARTNER!

But the most outrageous example of the U.N.'s deep-seated antisemitism is

"Far worse, at least 12 UNRWA staffers joined Hamas on Oct. 7 to kill innocent Israelis, mostly civilians."

UNRWA — the U.N.'s pro-Hamas education and welfare agency serving Palestinians.

"UNRWA is totally infiltrated with Hamas," Israeli Prime Minister Benjamin Netanyahu insisted in January. "It has been in the service of Hamas and its schools, and in many other things." Israel's defense minister calls UNRWA "Hamas with a facelift."

In fact, UNRWA schools educate young Gazans to kill Israelis — and have done so for decades. So, while it's shocking, it's not surprising that UNRWA teachers celebrated the Oct. 7 massacre.

Far worse, at least 12 UNRWA staffers joined Hamas on Oct. 7 to kill innocent Israelis, mostly civilians. Another intelligence report indicates an additional 30 UNRWA staffers also joined the savage attack.

The *Wall Street Journal* reported in late January that **at least 10% of UNRWA workers — some 1,200 Gazans — are Hamas terrorists.** And half of UNRWA's 12,000 Gaza employees have close relatives who belong to Hamas or Palestinian Islamic Jihad.

And by strange "coincidence," Hamas placed a sensitive underground data center some 65 feet directly below UNRWA's Gaza headquarters. The Israel Defense Forces (IDF) found power cables linking the Hamas data center to an UNRWA data center above ground, suggesting close collaboration between the two.

Despite incriminating evidence like that, UNRWA head Philippe Lazzarini — a sharp critic of Israel—denied any knowledge that Hamas located its data center directly under the nose of UNRWA.

"Oh, you knew," the Israeli official in charge of "Government Activities in the

Territories," replied on X (formerly Twitter).

DEFUND THE UNITED NATIONS NOW!

These stunning revelations provoked nearly 20 nations, including the U.S., to suspend all aid to UNRWA. That's wonderful ... but it's not enough! Congress must immediately cut ALL aid to the ENTIRE United Nations apparatus.

More than a generation ago, United States Ambassador to the U.N. Jeane Kirkpatrick charged the U.N. was **"pathologically obsessed" with Israel.** She called it "the principal forum of a concerted worldwide campaign against" the Jewish state.

That's still the case, which is why NOW is the time to cut off the U.N. entirely.

You are a good and valued friend of Israel and I thank you for that! Will you stand with the Jewish state now by signing the enclosed Demand Letter calling on Congress to DEFUND THE UN NOW!

Your generosity energizes and accelerates everything we do to bless and defend Israel. And the need is urgent now because the Jewish state is waging an existential battle against Hamas and its sponsor, Iran — all while Joe Biden and some Democrats in Congress work to undermine our friend and ally.

Thank you for blessing Israel as you pray and give! **CIDI**

DEFUND THE UN NOW!

**A Demand Letter to House Speaker Mike Johnson,
House Majority Leader Steve Scalise,
House Minority Leader Hakeem Jeffries, Senate
Majority Leader Charles Schumer,
and Senate Minority Leader Mitch McConnell**

As an American citizen, a taxpayer, and a friend of Israel, I am calling on Congress to slash U.S. aid to the United Nations to zero. And to do so immediately.

America sends more than \$12 billion annually to the United Nations — roughly 22% of the total U.N. budget and far more than any other nation. And yet the U.N. is a relentlessly anti-Israel body. Hamas collaborator UNRWA (United Nations Relief and Works Agency) is the tip of the iceberg. The U.N. singles out Israel — the Middle East's one democracy — for harsh, unreasonable, and unrelenting condemnation. And it does all this with the financial support of the United States. The time for this to end is NOW. Please END ALL TAXPAYER FUNDING TO THE ANTI-ISRAEL United Nations.
