"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

DEAR FRIEND OF ISRAEL,

If there's ONE thing on which you and I can rely after Iran's massive drone and missile barrage against Israel in April, it's this divine promise ...

He who scattered Israel will gather him and will keep him as a shepherd keeps his flock (Jer. 31:10).

That's an "ironclad" commitment you can hold to with ABSOLUTE CERTAINTY.

But Joe Biden's flimsy pledge of "ironclad" support for Israel is another matter. He made that promise before Iran unleashed a missile onslaught against the Jewish state, but soon retreated.

Iran's mullahs fired off some 350 missiles and suicide drones against Israel to wreak havoc and kill thousands of Israelis.

They failed. Israel's missile defenses, with help from the U.S. — even Jordan and Saudi Arabia — knocked out an astonishing 99% of the incoming drones, as well as cruise and ballistic missiles. The price tag to Israel for its anti-missile defense against Iran's attack is said to be just over \$1 billion!

Iran's unprecedented assault DEMANDS a crushing response to ensure Iran's brutal rulers never try this again.

But for Biden, helping Israel defend itself is one thing. He did that. But standing with the Jewish state when it fights back is another.

"You got a win. Take the win," Biden told Netanyahu after the barrage stopped.

Joe made it clear that the U.S. **would NOT support Israel** if it strikes back at its

genocidal foe, now dangerously close to going nuclear.

So much for Biden's ironclad commitment.

And so much for Biden's sworn obligation to protect America. Iran is a nuclear threshold state publicly committed to destroying both Israel and the United States. That means Israel's fight is our fight, too.

But Biden is more interested in a nuclear deal with Iran, in showering the sociopaths in Tehran with billions in sanctions relief — something he has already done.

It gets worse. Biden has also ...

- Demanded the Jewish state **abandon war plans to wipe out Hamas in its last stronghold, Rafah**. Joe warned Netanyahu in one testy conversation that invading Rafah would cross a "red line."
- **Betrayed Israel at the U.N.** by allowing passage of a U.N. Security Council resolution demanding a cease-fire in Gaza without also requiring Hamas to release the Israeli captives it is holding.

And Joe is up to something else that defies belief. When you learn what it is, I think you'll join me in urging the U.S. House of Representatives to immediately CENSURE Joe Biden.

Sensational new information has emerged revealing the Biden White House is plotting with the Israeli left to push Bibi Netanyahu from power, overthrow the

government he leads, and thwart Israeli victory over Hamas!

This is a stunning, blatant, and politically driven betrayal of an ally and friend — the nation God calls the "apple of his eye" (Zech. 2:8), a people He loves with an "everlasting love" (Jer. 31:3).

At the exact moment the Jewish state is fighting for its very existence against a malign genocidal enemy headquartered in Tehran, Biden is staging a de facto coup against Israel's popularly elected government.

Here's the evidence:

Ami Dror, a left-wing Israeli tech entrepreneur who is leading anti-Netanyahu riots in Israel, told colleagues in a WhatsApp group chat that the Biden administration **asked him to reinstate riots protesting Netanyahu's leadership, which had subsided after the Oct. 7 attack.**

Dror shared what he called "An important update from the American administration," based on what White House contacts told him. In his report, Dror detailed Team Biden's four-point plan to drive Netanyahu from office.

This bombshell, first reported in the Israeli press by Israeli columnist Caroline Glick, includes the following points made by Dror.

- The White House has called on the Israeli left to instigate anti-government, anti-Netanyahu riots — which have, indeed, restarted.
- The U.S. is building a port in Gaza to seize or co-opt Israeli control in Gaza and give the U.S. a possible veto on Israeli military action in Gaza.
- "Government ministers are receiving messages from 'American friends' that they will be accused of war crimes" because of the alleged hunger plaguing Gaza.
- "The United States intends to pass a resolution in the UN Security Council that calls for an immediate ceasefire in the Gaza." Ten days after Dror's post went live, the Security Council did indeed pass a resolution demanding a Gaza cease-fire, but not imposing the condition that Hamas first release the Israeli hostages it is holding. The resolution only passed because the U.S. refused to veto it.

It's impossible to overstate how nefarious Team Biden's actions are to Israel.

That's why I'm asking you to join me in calling on the House to censure Joe Biden for his attempt to subvert Israel's government and drive Netanyahu from power.

And as you do, I ask you to make a generous and much-needed gift to bless and defend the Jewish state and to stand with the Jewish people. Joe Biden is working against Israeli interests ... and exposing Israel to great harm. Speaker Mike Johnson recently said:

America must show our full resolve to stand with our critical ally. The world must be assured: Israel is not alone. I will continue to engage with the White House to insist upon a proper response. The Biden Administration's undermining of Israel and appeasement of Iran have contributed to these terrible developments.

Speaker Johnson is correct. Biden is driving a wedge between the U.S. and Israel. That endangers the Jewish state and jeopardizes our own nation's domestic security.

As Dror told his WhatsApp group chat, citing what he learned from White House contacts: "The American administration needs to see the nation in Israel [Israeli protesters] fighting the government of Israel!"

Biden is scheming with the Israeli left to stir up domestic opposition inside Israel at the same time the Jewish state fights for its very survival. And in the wake of Iran's massive drone and missile attack, Biden is telling Israel to hold its fire.

But Israel must forcefully respond to deter any further attacks. Pray for the peace of Jerusalem and claim God's promise in Jeremiah 31:10 that He "will keep him [Israel] as a shepherd keeps his flock."

Israel faces extreme danger from Iran, and treachery from Joe Biden. Please be as generous as possible now to help CIDI fight for Israel. Your gift will go right to work to mount online public awareness efforts on Israel's behalf and to make the case for Israel on Capitol Hill.

Some in the Democratic Party are open enemies of the Jewish state. Our voice, as friends of Israel, must be heard in Washington now. You make that possible as you give!

Respond right away by signing the CENSURE JOE BIDEN NOW! petition and be sure to give a generous gift as you respond.

Thank you for standing with Israel in this hour of testing and trial. God's people need our prayers and our support. Thank you for standing with them now! **CIDI**

Together for Israel,

P.S. Joe Biden has pledged his IRONCLAD commitment to Israel. But he is secretly plotting to subvert Israel's elected government! You and I must demand that the House of Representatives hold Biden to account.

Please also consider giving **your most generous gift to bless and defend Israel!** Israel is facing great trial. Together, let's stand with the Jewish people! **Please respond immediately!**

CENSURE JOE BIDEN NOW!

A Citizen Petition to Speaker Mike Johnson, Majority Leader Steve Scalise, and Judiciary Committee Chairman Jim Jordan

Deeply disturbing and sensational details have emerged, showing that Joe Biden and the White House have worked with the anti-Netanyahu Israeli left to remove Prime Minister Benjamin Netanyahu from power and overthrow his government. This subversion includes, as Israeli columnist Caroline Glick has revealed: White House "actions on the ground in Gaza; the use of the U.N. Security Council; extortion of government ministers; and mass protests."

In a WhatsApp online chat, Ami Dror, an Israeli tech entrepreneur who is leading anti-Netanyahu riots in Israel, detailed Team Biden's four-point plan to drive Netanyahu

from office. Dror has authenticated his online post in an interview with Israel's Channel 14.

This is a stunning, blatant, and politically driven betrayal of an ally and friend. **I am calling on the House to act now to censure Biden for meddling in Israeli domestic politics by attempting to overthrow Israel's sitting government and drive Netanyahu from office.**
