"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

## DEAR FRIEND OF ISRAEL,

Joe Biden just made history ... and in the worst possible way. After months of bad-mouthing Israel for its "indiscriminate bombing" and its "over the top war," Biden **betrayed Israel** by cutting off vital weapons to our nation's best friend and ally.

That's the price Israel must pay, Joe says, for invading the last Hamas stronghold, the city of Rafah in southern Gaza where four surviving Hamas battalions are holed up. Israeli forces **MUST** invade Rafah to eliminate Hamas — but Joe says "NO."

**It's INSANITY!** Israel is fighting a war for its national survival against genocidal enemies — first Hamas, but also Hezbollah and, ultimately, Iran. In the midst of Israel's existential war, Biden DENIES Israel the weapons it NEEDS to crush its enemies!s.

And this war is not just for Israel's security — it is for America's, too. Iran and its proxies want to destroy Israel first ... then the U.S. Despite that and Joe's "ironclad" commitment to Israel's security, he is now punishing Israel and rewarding Hamas.

Israeli Prime Minister Benjamin Netanyahu is unbowed, declaring in a statement:

*We are determined and we are united in order to defeat our enemies and those who want to destroy us. If we need to stand alone, we will stand alone.*

But Israel is not alone. The God of Israel stands with her — and you

and I must do the same! I have an urgent Demand Letter, calling on both the House and Senate to **unleash investigations, pull funding, pound their bully pulpits, and bring impeachment charges against Joe Biden.**

**Your voice matters — as does your financial support. Please act today!**

Here are some sordid details of what Joe did. Speaking two days after Holocaust Remembrance Day in Israel, Biden told CNN he was cutting Israel off!

*"I've made it clear that if they [Israel] go into Rafah ... **I'm not supplying the weapons** that have been used historically to deal with [Hamas]. ... It's just wrong. We're not going to supply the weapons and the artillery shells.*

With that blunt announcement, "Calamity Joe" effectively **ENDED the U.S.-Israel alliance** ... and sided, instead, with Israel's genocidal enemies, Hamas chief among them. Friends of Israel were furious at Biden's treachery.

## URGENT ALERT: BIDEN ABANDONS ISRAEL!

*Joe cuts off vital munitions pledged to Israel, just as the Jewish state enters Rafah to wipe out Hamas — effectively ENDING the U.S.-Israel alliance. Now Israel stands alone in its war for national survival.*

- ▶ "Biden is siding with evil Hamas/Iran," said Morton Klein, president of the Zionist Organization of America. "This is despicable. ... Biden/Blinken is becoming the most anti-Israel U.S. administration ever."

Please use the special QR code above to sign the **NO EMBARGO! STAND WITH ISRAEL!** Demand Letter to Congress right away — I'll send copies to Israel's ambassador to the U.S. and to Prime Minister Netanyahu. And be as generous as you can as you respond.

Even as Joe is turning his back on Israel, the American people are not! Harvard/Harris polls find that **80% of Americans SUPPURT Israel in its war against Hamas.** And **72% want Israel to enter Rafah to DEFEAT Hamas!**

That's where AMERICA stands! But we must make our pro-Israel voice heard loud and clear in Washington where anti-Israel Democrats have great influence. Use the special QR code to sign the Demand Letter, and make your best gift as you respond.

Because this is a fast-moving crisis, some situations may have changed by the time you're reading this Urgent Alert.
