"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

## ANTISEMITIC UN AIMS TO EVICT THE JEWISH STATE

It's stunning, outrageous, and, frankly, a farce . . .

In a new low, the clown show known as the United Nations **voted overwhelmingly last month to evict Israel from its ancient, God-given homeland.**

You can't make this up.

As appalling as this is, it's just ONE example of what American taxpayers like you and me get for the whopping \$18 billion we sent in 2022 to fund this midtown Manhattan "theater of the absurd."

That is why I am asking you to join me in demanding that Congress **STOP FUNDING the U.N.!** It's a hopelessly antisemitic cesspool — a corrupt money pit into which the U.S. pours billions. I say, no more!

I'll explain more in a minute. But first, here's the story behind the U.N.'s latest atrocity . . .

With the one-year anniversary of the savage Oct.7 Hamas attack just weeks away . . . and while Israel fights an existential war against Iranian proxies Hamas and Hezbollah . . . the U.N. General Assembly (UNGA) voted 124-14 (with 43 abstentions) to EXPEL ALL JEWS from Judea and Samaria, Gaza, and Jerusalem's Old City!

Thankfully, the U.S. voted against the resolution. But with major funding from you and me, the U.N. Dictators Club

— think China, Russia, Iran, Venezuela, Qatar, Syria, North Korea, and more — are telling 850,000 Jewish men, women, and children to **"Get Out!"**

And just to be clear, Jerusalem's Old City includes the Temple Mount, Western Wall, and the Jewish Quarter. **This is where Jews have lived for more than 3,000 years.** It's where David ruled, Jeremiah prophesied, and Jesus walked.

This is land God gave the Jews in an "everlasting covenant" (Psalm 105:10), but now a place from which Jews must be banished, according to the U.N.

And while it is nonbinding, this absurd resolution is no joke. It emboldens Israel-haters and energizes their efforts to turn Israel into an international pariah.

The U.N. gave Israel one year to comply with its edict. If Israel ignores it, as it most certainly will, this obscene resolution calls for a trade and arms embargo against the Jewish state.

And that could bite. Some of Israel's closest allies have already refused to sell weapons to Jerusalem.

The United Kingdom announced a partial arms embargo in August, and Germany has withheld arms shipments for months. Joe Biden refuses to send Israel the 2,000-pound bombs it needs to crush its enemies. **Vice President Kamala Harris is "entirely supportive" of Biden's decision.**

Other nations may follow their lead.

And who is behind this nasty assault on the Jewish state? The Palestinians. Only

legitimate nations can be members of the U.N. But the notoriously pro-Palestinian United Nations recently awarded a seat at the U.N. to the non-state of "Palestine."

Terror-funding Palestinians who want to eliminate Israel now have the right to introduce resolutions at the U.N. General Assembly. This "eviction" resolution is their first. But certainly not their last.

That is reason alone for Congress to stop all U.N. funding. But there are more reasons than that. Let me list a few . . .

## BLAME ISRAEL FIRST

You and I were astonished at "Operation Below the Belt," the ingenious and highly targeted attack that turned

Hezbollah-issued pagers and walkie-talkies into explosive devices.

Israel didn't take credit for the brilliant initiative, but it is widely assumed to be behind the precise and simultaneous assault that killed some 37 terrorists and maimed thousands of militants.

So how did the U.N. react? Very few civilians were harmed by what some have called the "Grim Beeper." But the U.N. blamed Israel almost immediately.

Volker Türk, the U.N. High Commissioner for Human Rights, was "appalled" by the attack on Iran-backed Hezbollah operatives whose mission is Israel's annihilation.

**Türk added that Israel may have committed a "war crime" and called for an "independent, rigorous and transparent" investigation.**

### "LIST OF SHAME"

The U.N. added Israel to its "List of Shame" in June, lumping Israel in with Hamas, Palestinian Islamic Jihad, al-Qaeda, and others for alleged human rights violations against children. Israel is the one democratic nation on the list, which also includes Afghanistan, Iraq, Myanmar, Somalia, Syria, and Yemen.

The U.N. designation is a wholesale smear and fabrication. In fact, Israel is the most moral military in the world.

Hamas uses children as human shields — setting up its operations in schools in hospitals. But as military expert John Spencer, the chair of Urban Warfare Studies at West Point's Modern War Institute, points out, "Israel has painstakingly followed the laws of armed conflict."

As a result, the Jewish state has achieved a historically low "ratio of roughly 1 combatant to 1.5 civilians" who have died in the conflict. That's lower than any other nation has achieved in urban warfare.

### UNRWA IS HAMAS

UNRWA, the U.N.'s relief and education arm exclusively for Arab Palestinians, is in bed with Hamas. Consider this evidence:

- ▶ Fourteen UNRWA employees TOOK PART in the heinous Oct. 7 attack.
- ▶ At least 10% of UNRWA workers — some 1,200 Gazans — are Hamas terrorists.

▶ UNRWA teachers in a 3,000-member Telegram group rejoiced over the massacre of Jews on Oct. 7.

▶ Hamas placed a sensitive underground data center some 65 feet directly below UNRWA's Gaza headquarters and tapped into the UNRWA power source.

**"UNRWA is totally infiltrated with Hamas,"** Israeli Prime Minister Benjamin Netanyahu insisted in January. "It has been in the service of Hamas and its schools, and in many other things." Israel's defense minister calls UNRWA "Hamas with a facelift."

### DEFUND NOW

The damning revelation above prompted even Joe Biden to put U.S. aid to UNRWA on pause for one year. Congress needs to cut off UNRWA forever — along with the rest of the U.N.

There's much more to say about the U.N.'s entrenched and institutionalized antisemitism. I've put the incriminating details together in a special CIDI booklet, ***Israel in the Cross-Hairs: Why America Must Defund the UN Now.*** I'll be excited to send it to you in grateful appreciation for your much-needed gift today of \$25 or more.

I've also included a "must-sign" petition to Congress. Please take a moment to sign and return the **DEFUND THE ISRAEL-HATING U.N. NOW!** petition.

Your voice needs to be heard on Capitol Hill. Your tax dollars are fueling attacks on Israel — and that must STOP.

Finally, I've saved the worst for last. The U.N. resolution to evict the Jewish people

from their God-given homeland in Judea and Samaria is a poke in God's eye. Why? As Zechariah declared, "He who touches you [Israel] touches the apple of his [God's] eye" (Zechariah 2:8).

The nations of the world are cursing Israel, and our nation must not be a party to it.

And make no mistake. The land in question is territory God gave to Abraham and his descendants. Abraham *was in the so-called West Bank* when God twice promised him and his descendants the land of Israel!

Abraham was in Shechem — now Nablus, a city in northern Judea — when God appeared to him and said, **"To your offspring I will give this land"** (Genesis 12:7).

Later, when Abraham settled at Hebron, an ancient city in the southern West Bank, God gave Abraham another land promise: "I will give to you and to your offspring after you . . . all the land of Canaan, for an everlasting possession" (Genesis 17:8).

**Yet the world denounces Israel for "occupying" this land!**

The nations of the world want to steal God's land from God's people. And the U.S. must not be a party to this at the U.N.

Sign and return the **DEFUND THE ISRAEL-HATING U.N. NOW!** petition and return it with your most generous gift. And be sure to ask for the *Israel in the Cross-Hairs* booklet as you give \$25 or more.

Finally, pray for Israel at this time of intense warfare. May the Lord bless His people and grant His people peace and security on every side!

Together for Israel,

Mat Staver

Chairman and President

P.S. The U.N.'s latest attack on Israel must not go unanswered! Sign the petition demanding that Congress DEFUND the U.N. and **return it with your gift to fight for Israel! Thank you!**

# DEFUND THE ISRAEL-HATING UN NOW!

*A Citizen Petition to House Speaker Mike Johnson, House Majority Leader Steve Scalise, House Minority Leader Hakeem Jeffries, Senate Majority Leader Charles Schumer, and Senate Minority Leader Mitch McConnell*

## Re: No More Money to Underwrite Antisemitism!

Dear Congressional Leaders:

As a citizen and taxpayer, I am asking you to act to cut ALL U.S. aid to the antisemitic United Nations. The U.N. General Assembly just passed by an overwhelming margin an absurd resolution demanding that all Jews be removed from Judea and Samaria, Gaza, and eastern Jerusalem. In an edict that has echoes of the Holocaust in it, the U.N. is giving 850,000 Jews one year to leave their ancient homeland, territory God promised Abraham and his descendants in an "everlasting covenant" (Psalm 105:10).

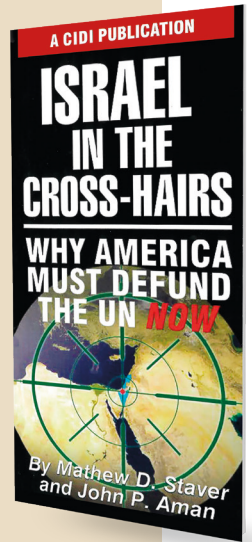

The U.S. voted against this antisemitic obscenity, but it is a party to it by virtue of the billions U.S. taxpayers like me are forced to send to it. In 2022 alone, the U.S. rewarded Israel-haters at the U.N. with \$18 billion!

This must STOP! Please do all in your power to Defund the Israel-Hating U.N. Now!

A deeply concerned friend of Israel,

## **An Anti-Israel Machine Fueled by Your Tax Dollars**

**Israel in the Cross-Hairs: Why America Must Defund the UN Now** is an easy to read but in-depth look at the U.N.'s long record of hostility to Israel. It shows you the key events in the 1970s that institutionalized the U.N.'s shocking anti-Israel bias, turning an agency intended to produce world peace into a factory of anti-Israel hate. Find out how it happened and see why the time is now for the United States to pull all funding from one of the Jewish state's worst enemies, the United Nations.

**Israel in the Cross-Hairs** is our special gift to you as you donate \$25 or more to defend Israel. Request this fact-filled booklet today when you give!
