## JEWISH SUPPORT DROPS WHILE ISLAM RISES

American support for Israel may VANISH in less than a generation. I'll explain ...

As you know, Zohran Mamdani now presides as the first Muslim mayor of New York City. He rejects Israel's right to exist and condemns it for "genocide." Worse, he plans to arrest Prime Minister Benjamin Netanyahu if "Bibi" sets foot in the Big Apple.

**But Mamdani is just the tip of the Muslim iceberg.** He is one of 42 Muslims elected to office nationwide this past November. It's a record crop stemming from the explosive growth of America's Muslim population, up 90% since 2000, according to the Jerusalem Center for Security and Foreign Affairs.

American Muslims are on track to surpass American Jews in population by 2040 — a

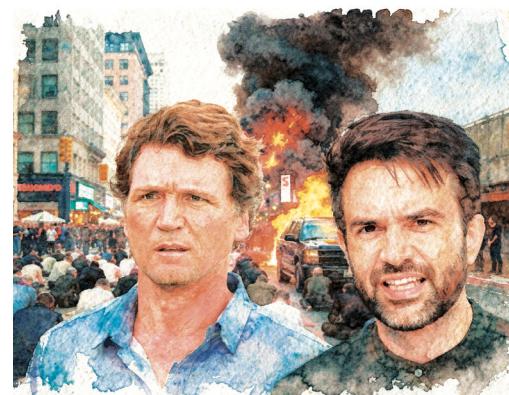

mere 14 years away. If that happens, the Islamification of America will accelerate. That means more horrific attacks like those at Brown and on Bondi Beach.

More enemies of Israel may gain power. Washington may abandon Jerusalem.

You and I may see more leaders like Mamdani and his campaign supporter, Imam Siraj Wahhaj, an unindicted co-conspirator in the 1993 World Trade Center bombing.

## 2 Trends That Could Shatter The U.S.-Israel Bond

*Two toxic threats could FRACTURE AND END the long-standing U.S.-Israel bond in less than a generation. The danger is imminent, and Zohran Mamdani and Tucker Carlson are at the leading edge. — Mat Staver*

Wahhaj despises America, scorning our nation as "filthy and sick." For him, "It is an honor to die in jihad" and "politics is a weapon in the cause of Islam."

Will you please give today to help CIDI act effectively on multiple fronts to bless and defend the Jewish state in the days ahead?

Your generosity is especially needed because, just as Islam is rising,

antisemitism is exploding. Half of young conservatives now see Israel unfavorably — a jump of 15% from three years ago.

Tucker Carlson, who reaches millions, is a leading reason. But he's not alone.

Before leaving Congress, Marjorie Taylor Greene blasted Israel for "genocide" and

voted to cut U.S. aid to the Jewish state. Conservative firebrand Steve Bannon labeled Israel "not an ally" and charged it tried to draw the U.S. into war with Iran. And Candace Owens, the 2024 "Antisemite of the Year," brands Israel a "demonic state."

**Carlson is even worse.** Without facts or evidence, he blamed Israel for having "murdered tens of thousands of children on purpose" over the last two years.

Benjamin Netanyahu,  
Prime Minister of Israel

He "despises Christian Zionists more than anyone else on earth." In a combative interview with Sen. Ted Cruz, Carlson pointedly asked: "Is the nation God is referring to in Genesis ... the same as the country run by Benjamin Netanyahu right now?"

WHAT?! It's an absurd question answered by well-documented history.

Not satisfied with hurling a blood libel at Israel (killing children), **Carlson tries to rob the Jewish state of its identity.** His insinuation that modern Israel is not biblical Israel invokes replacement theology, which claims the church has displaced Israel. It's a dangerous heresy that has fueled Christian antisemitism for centuries.

For Tucker and friends, Israel is not God's chosen nation. They see it as no different

**"Has God rejected his people? By no means! ... God has not rejected his people whom he foreknew."**  
**"The deliverer will come from Zion; he will turn godlessness away from Jacob."**

*(Romans 11:1-2, 26)*

from every other nation. But Scripture proclaims that Israel is a light to the nations, a blessing to the world, and a nation with a glorious future ahead.

Paul wrote: **"Has God rejected his people? By no means! ... God has not rejected his people whom he foreknew."** "The deliverer

will come from Zion; he will turn godlessness away from Jacob" (Romans 11:1-2, 26). And when God's chosen people, at long last, embrace their Messiah, Paul states in Romans 11, it will be "greater riches" (v. 12) and "life from the dead" (v. 15). That's what's ahead for Israel.

But as Islam rises and antisemitism spikes – even on the right – you and I must speak out. **Will you please stand with CIDI now?**

Your much-needed gift will go right to work to bless and defend the Jewish people. Please respond immediately. **CIDI**
