"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

## ISLAM INFILTRATES US THROUGH EXTREME MOSQUES

You'll find this ... Shocking. Treasonous. Brazen. And Beyond Disturbing.

At the very moment when brave American and Israeli pilots risked death to punish and defang the tyrants of Tehran, Muslims in the U.S. praised Iran's slain leader Ali Khamenei ... a sociopath who killed 869 American military personnel in Iraq.

In Northern Virginia, just 30 miles from Washington, D.C., a mosque in Manassas sent jaw-dropping "condolences and glad tidings on the martyrdom of His Eminence Ayatollah Seyyed Ali Khamenei" — aka the monster who spent billions to annihilate Israel.

But Khamenei failed. Instead, Israel eliminated him and 40 of his top lieutenants in a devastating airstrike. The next day, this Manassas mosque hosted a remembrance service, billed as a time for "honoring our leader Shaheed Ayatollah Ali Khamenei."

Wait! What? "OUR LEADER"!?

You'll be interested to know that this mosque is tied to an Iranian front group, the Alavi Foundation, which gave it \$193,000 in 2004-05. Just three years ago, nine U.S. House members warned that this mosque is "part of a network of regime-sponsored mosques acting as agents for a foreign adversary [Iran]" — a warning that went nowhere.

**But it gets worse.**

In Dearborn, Michigan, the "jihad capital"

of America and a place where residents side with Iran against the U.S., Muslims gathered to "commemorate the martyrdom of the great leader of our time, Sayyid Ali Hussein Khamenei," as one speaker put it.

Another speaker at Dearborn's Haidi Institute praised Khamenei's death, calling it an "ultimate honor" after "86 years of jihad in the way of Allah."

And at the Islamic House of Wisdom in nearby Dearborn Heights, Imam Mohammad Ali Elahi showed why Islam is rightly labeled a "death cult" as he celebrated Khamenei's demise, declaring ...

*Being killed by "the most wretched hands on earth" is an honor; nothing is greater than martyrdom after 86 years of service. Wow!*

But these shockingly pro-Iran mosques are not the only Islamic meeting houses tossing bouquets at Khamenei — a

In 2019, Muslims at Houston's Islamic Education Center *celebrated* the 40th anniversary of the Iranian Revolution — a movement that has threatened "death to Israel ... death to America" since 1979. The festivities featured a boys' choir performing

this anthem to Khamenei, the world's foremost sponsor of terror:

*We are your followers, you are our Leader. ...  
We are your **soldiers**.*

And in 2022, a children's choir at this Houston mosque sang this to Khamenei: "I will sacrifice everything for you...I make an oath to be your martyr, Ali."

In 2023, lawmakers in Congress asked then-Attorney General Merrick Garland to investigate whether some mosques in the U.S. have served as agents of Iran to infiltrate radical Islam into the U.S. That request fell, predictably, on deaf ears.

But now is the time for Congress and the Trump Justice Department to GET ANSWERS by investigating whether and how Muslims in America have served the Iranian Revolution here in the U.S.

You can help make that happen by signing the INVESTIGATE RADICAL MOSQUES! petition using the petition QR code and returning it with **your best gift to defend Israel and America from radical Islam.**
